JESSICA I. MORALES

Mind Strategist, Speaker, Educator

Corporate & Career

213.935.0061 beyoubloom@gmail.com www.beyoubloom.com

TOPICS:

- Develop the "HERO" Mindset: Hope, Efficacy, Resilience, Optimism to boost performance & career satisfaction
- Master communication exchanges to quickly build trust and rapport with clients, work peers, and management
- Resolve fragmented thinking to stimulate flow state for optimized productivity
- Train the brain to align with goals decreasing resistance and subconscious self-sabotage
- Move from reactor to responder in just seconds to tap into mental assets and assess objectively
- Inspire employees to become caring contributors through self-motivation that activates the internal reward system
- Transform meetings into experiential think-tanks that tap into higher consciousness and innovative ideas for success

TESTIMONIALS:

"...an energetic, passionate and inspiring powerhouse who genuinely wants to equip others with what it takes to win in a meaningful way. Jessica's seminars make lasting impressions from thought to action. She is truly passionate about transforming people's lives and has certainly made a huge difference in mine."

- Donald Chiano, Ropes & Gray LLP

"...a creative and original thinker with native intelligence, great curiosity about people and ideas balanced with common sense.

- Tim Southwick, SVP, WET Design

"The way in which she intuitively gets to the root and builds instant trust is by far her biggest strength. She steers people to clarity and with a desire to take action. She is changing the world around her."

- Chris Moran, Director, Jack Engle & Co.

"...a true professional with a personality that connects with everybody she comes in contact with."

- Sergio Salup, SVP, Chase

"...a positive force with impact. We felt chills and an extreme sense of joy."

- Lourdes Alvarez, Manager, Solar Company

Jessica's 20+ years in marketing and business development led to coaching individuals and teams by accessing the full potential of the mind. Her drive stems from the belief that, when we are happier at work, we positively impact those we serve as well as our personal wellbeing, family systems, and communities.

Jessica's mental mastery approach results in:

Happier Employees Positive Mindset Personally invested productivity Employees who want to grow An environment that stimulates flow Meaningful and present engagement People who work from their strengths A Positive Workplace Culture!
